IMMERSIVE MOVIE EXPERIENCES

"THIS WAS THE BEST EXPERIENCE. ENJOYED IT FROM THE CORE OF MY HEART"

West End Worldwide has been producing immersive theatre for 'Movies in the Park' for Yas Island for the last three years. This has included 'Grease', 'Mamma Mia', 'Finding Dory', 'Mamma Mia - Here We Go Again!' and 'The Greatest Showman'. All the events have scored highly on the island surpassing previous figures for the most popular events.

So, what is Movies in the Park immersive? We produce entertainment around a chosen film and then create a wonderful few hours of immersive entertainment. Our West End cast dressed exactly like the characters in the film, play competitions, perform in concert both on stage and amongst the audience, act scenes, host, teach dance moves, make photo opportunity moments... it doesn't stop from start to finish. Once the movie starts the cast play out highlighted scenes in front of the screen to enhance the experience and bring the film to life, We always finish with a megamix that leaves audiences shouting for more!

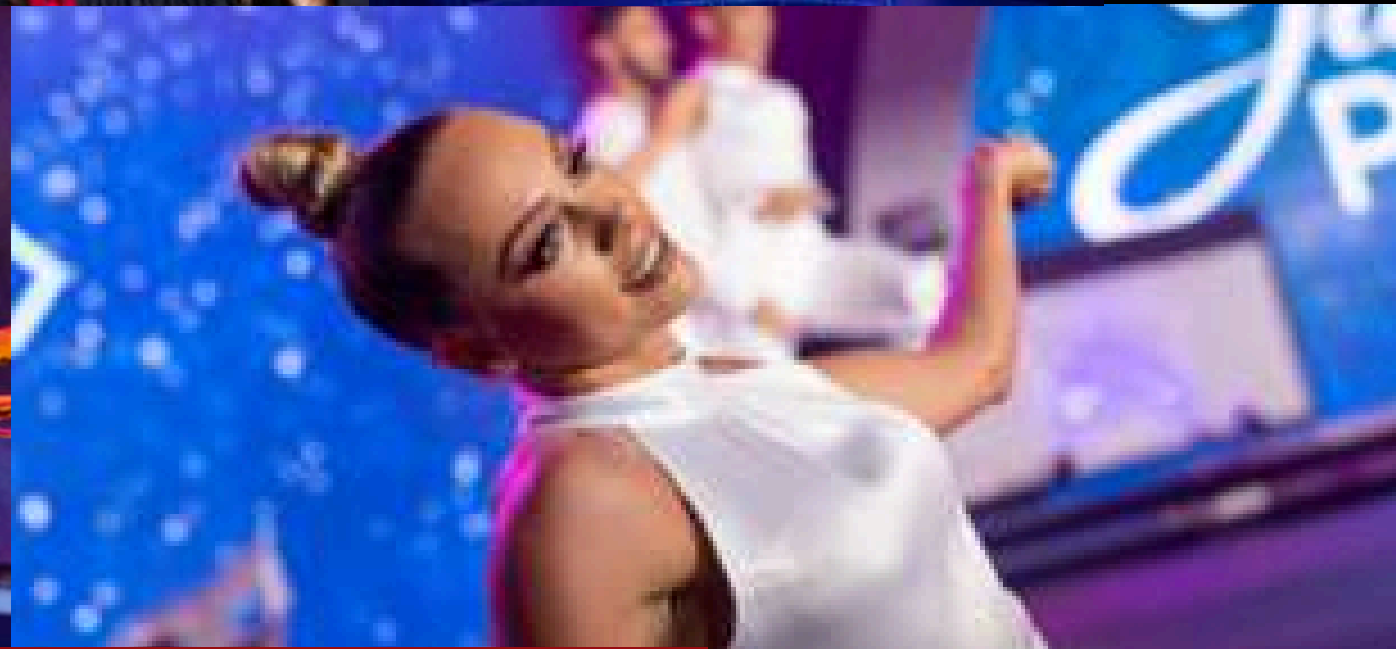

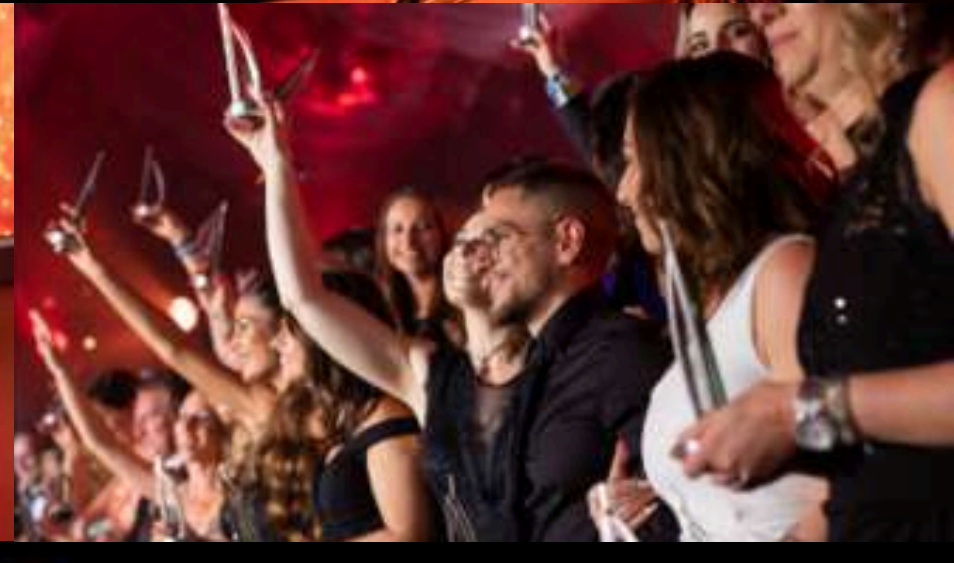

The background is a red-tinted photograph of a city street scene. It features several large, vintage-style movie posters and billboards. One prominent poster on the right shows a woman in a white dress. Another poster below it has the word 'STORY' visible. In the foreground, there are silhouettes of people walking on a sidewalk. The overall aesthetic is that of a classic Hollywood movie district.
